*The proper name for the Republics under the Articles of Confederation was and is "Arizona." It wasn't until the Constitution was ratified that these same political entities ALSO acquired an ADDITIONAL name as "State of Arizona". In acts of Congress written after the Constitution was ratified, the SOVEREIGN AND LEGISLATIVELY FOREIGN STATE under the Articles of Confederation was referred to as the "Republic of Arizona". This entities is where all EXCLUSIVELY PRIVATE and therefore LEGISLATIVELY FOREIGN PROPERTY is held, protected, and maintained. As EXCLUSIVELY private property, this property is NOT SUBJECT to the legislative jurisdiction of ANY government:*

*"When one becomes a member of society, he necessarily parts with some rights or privileges which, as an individual not affected by his relations to others, he might retain. "A body politic," [Editor's note: A body politic, is a SOCIAL COMPACT by which the whole people covenants with each citizen, and each citizen with the whole people, that all shall be governed by certain laws for the common good] as aptly defined in the preamble of the*
